CITY OF CORRY
BURNING PERMIT APPLICATION

Application #: 20 -_____

Fee:_____

Paid:_____

This is an application for a burn permit. This application could take up to three (3) days to process. Upon completion it will be sent to the Fire Department for inspection of the site. If approved, the inspector shall fill out the permit. If you are present, he can give it to you. If you are not present, they will call you and your permit will be available for pick up at the Fire Department located at 14 E. South St.
This permit is good for one calendar year, for fire larger than 36 inches in diameter, used to clear property of natural waste (wood) that is dry (not fresh/green). This permit allows for, inspection of the site and materials to be burned. Inspection of the site will insure location is a safe distance from structures (minimum distance shall be determined based on size of planned fire) or other exposures and verify material being burned is not prohibited. **** If site is not approved the $5.00 processing fee will not be refunded.**

Person who is occupant of property, will be present during process and is assuming responsibility of fire.
