#### IV. POLICY

#### 4. Policy.

##### 4.1 Access to Public Records.

4.1.1 Generally. It is the policy of the City to grant access to Public Records in accordance with the provisions of the Act and the terms of this Policy.

4.1.2 Redaction. Access to a Record shall not be denied solely because the Record contains, in part, information which is not subject to access under the Act. In such cases, the information which is not subject to access shall, if possible, be redacted, and the Requester shall be given access to the remainder. A redaction shall be considered a denial of access to the redacted portion of the Record in question for purposes of this Policy and the Act.

4.1.3 Intended Use. Access to a Public Record shall not be denied due to: (1) the Requester's purpose or motive in making the Request; or (2) the Requester's intended use of the Public Record in question. A Requester need not give any explanation for the making of a Request.

4.1.4 Creation of Public Record. Unless otherwise authorized by the Chief Executive, the City shall not: (1) create and provide access to a Public Record which does not exist at the time that a Request for access to such a Record is made; or (2) compile, maintain, format, or organize a Public Record in a manner in which the City does not compile, maintain, format, or organize the Public Record in question, at the time that a Request for access to such a Record is made.

4.2 Authority Discretion. The Chief Executive, in his or her discretion, may make an otherwise exempt Record accessible for inspection and copying if all of the following apply:

(1) Disclosure of the Record is not prohibited under any of the following:

(i) Federal or State law or regulation.

(ii) Judicial order or decree.

(2) The Record is not protected by a privilege.

(3) The agency head determines that the public interest favoring access outweighs any individual, agency or public interest that may favor restriction or access.

## V. PROCEDURES

### 5. Procedures.

5.1 Receipt and Processing of Request. All Requests shall be forwarded to the ORO for processing in accordance with the terms of the Act and this Policy.

#### 5.2 Verbal Requests.

5.2.1 Generally. The City understands that informal verbal Requests will, from time to time, be made by Requesters. Verbal Requests shall not be denied simply because they are verbal in nature. The ORO shall attempt to comply with verbal Requests to the extent that such Requests reasonably describe the Records to which the Requester seeks access. The ORO shall keep such records of compliance with verbal Requests as the ORO may deem appropriate under the circumstances.

5.2.2 Request for Written Request. The ORO shall request that a Requester put a verbal Request into writing if: (1) the verbal Request is unclear or lacks sufficient information to formulate a Response; (2) the verbal request is so extensive or complex as to make it difficult to determine what Records are being sought by the Requester; (3) the ORO determines that the City cannot comply with the verbal Request as made; or (4) the ORO determines that, given the nature, scope, complexity and/or other pertinent factors relating to the Request, it would be in the best interests of the City that such Request be placed in writing. A request that a Requester place a Request in writing shall not be deemed a denial of access under this Policy. If appropriate under the circumstances, the ORO shall advise the Requester that no appeal rights may be exercised under this Policy by the Requester in the absence of a written Request as per Section 702 of the Act.

#### 5.3 Written Requests.

5.3.1 Form. A written Request may be submitted in person, by mail, by email, or by facsimile. A written Request shall be addressed in the manner specified in Section 3.4, above. A written Request must: (1) identify or describe the Records sought with sufficient specificity to enable the ORO to ascertain which Records are being requested; and (2) include the name and address to which the ORO should address the City's Response. The Request may include,

but is not required to include, a facsimile number to which a Response may be sent by facsimile. A written Request need not include any explanation of the Requester's reason, purpose, or motive for making the Request, or disclose the Requester's intended use of the Records in question.

5.3.2 Defective Request. A written Request shall not be considered inadequate or defective if the inadequacy or defect is minor in nature or otherwise immaterial. If a written Request is materially defective because it fails to conform to the requirements in Section 5.3.1, above, the ORO shall notify the Requester of such defects in writing, and that the Request will not be processed until such defects are corrected. The Requester may then treat such notification as a denial of access, in which case the Requester may pursue the remedies provided in this Policy and the Act. Alternatively, the Requester may submit an amended Request remedying the defects in question. In such case, the Requester's written Request shall be deemed to have been received by the City upon receipt of the amended written Request.

#### 5.4 Processing of Requests.

5.4.1 Documentation. Verbal Requests shall be documented as and to the extent provided in Section 5.2.1, above. Written Requests shall be time-stamped or otherwise documented by the ORO so as to clearly indicate the date of receipt.

5.4.2 Determination of Response to Request. Upon receipt of a Request, the ORO shall promptly review the Request and determine whether: (1) access to the Records in question will be granted; (2) access to the Records in question will be denied; or (3) access to the Records in question will be granted in part and denied in part. Such determination shall be made in the form of a written Response, as specified in Sections 5.5 and 5.6, below.

#### 5.5 Response.

##### 5.5.1 Time for Sending Response.

5.5.1.1 General Rule. Except, as otherwise provided in Section 5.5.1.2, below, the ORO shall send a written Response to the Requester within five (5) business days of receipt of the Request by the Authority.

5.5.1.2 Exceptions. The ORO may extend the time to send a Response to a Requester if the ORO determines that one or more of the following applies

- a. the Request for access requires redaction;

- b. the Request for access requires production of a Record that is stored in a remote location;
- c. the Request for access cannot be accomplished due to *bona fide* and specified staffing limitations;
- d. legal review is necessary to determine if the Record in question is a Public Record subject to access;
- e. the person requesting access to a Record has not complied with the City's policies set forth herein;
- f. the requester refuses to pay applicable fees; or
- g. the extent or nature of the request precludes a response within the required time period.

In such case, the ORO shall send the Requester a written notice indicating that the time for sending a Response is being extended pursuant to Section 5.5.1.2 of this Policy and the provisions of § 902 of the Act. Such notice shall be sent within five (5) business days of receipt of the Request. Such notice shall: (1) indicate that the Request is being reviewed; (2) specify the reason for the review (*i.e.*, the grounds for extending the time for sending a Response, as set forth above); and (3) set forth a reasonable date by which a Response is expected to be provided. The time for sending a Response shall in no event be extended beyond thirty (30) calendar days after the fifth business day following receipt of the Request.

5.5.2 Transmission of Response. A Response shall be transmitted to a Requester by: (1) first class mail, postage pre-paid; and/or (2) facsimile transmission, if such form of transmission is requested by the Requester in the Request and a facsimile number is provided in the Request. A Response shall be deemed to have been sent upon its deposit in the United States mail and/or upon its transmission by facsimile.

## 5.6 Substance of Response.

5.6.1 Granting of Access. A Response granting access to the Records requested shall contain the following: (1) the date of the Response (*i.e.*, the date the Response is placed in the United States mail or the date that it is transmitted by facsimile); (2) a statement that access has been approved; (3) a description of the Records for which access has been approved; (4) a description of how access will be effectuated; (5) a statement of the estimated amount of fees, if any, that will be charged the Requester; and (6) a description of the procedure by which the requester may appeal the Response if the Requester is dissatisfied therewith.

5.6.2 Denial of Access. A Response denying access to the Records requested shall contain the following: (1) the date of the Response, (*i e.*, the date the Response is placed in the United States mail or the date that it is transmitted by facsimile); (2) a description of the Records requested; (3) a statement that access is being denied; (4) the specific reasons for the denial, including a citation of supporting legal authority; (5) the printed name, title, business address, business telephone number, and signature of the ORO); and (6) a description of the procedure by which the Requester may appeal the denial of access under this Policy and the Act.

5.6.3 Partial Access and Partial Denial. If a Response is a partial grant of access and a partial denial of access (including a redaction of information from a Record), the Response shall: (1) meet the requirements of Section 5.6.1, above, with respect to those Records for which access has been granted; and (2) meet the requirements of Section 5.6.2, above, with respect to those Records for which access has been denied.

## 5.7 Access

### 5.7.1 Form of Access – Inspection

Unless otherwise permitted by the ORO, any such inspection shall meet the following requirements: (1) the inspection shall be made at the principal offices of the City; (2) the inspection shall occur during the normal business hours of the City; (3) the inspection shall be conducted in such a manner, and subject to such conditions, as are reasonably necessary to assure that the Records will not be damaged, destroyed, altered, disorganized, or otherwise impaired; (4) the inspection shall be conducted at a time and in a manner which would not unduly disrupt the operations of the City; and (5) the inspection shall be subject to such other reasonable terms, conditions, and limitations as the ORO determines are reasonable under the circumstances and which are not otherwise inconsistent with the provisions of this Policy or the Act.

5.7.1.2 Duplication Following Inspection. Subject to the provisions of Section 7.5, below, regarding duplication fees, the City shall, upon the request of the Requester, duplicate and provide to the Requester copies of any Records made available to the Requester for inspection.

5.7.1.3 Copies in Lieu of Inspection. The ORO may in lieu of permitting the inspection of Records as provided in Section 5.7.1.1 above, provide to the Requester copies of the Records requested by the Requester. In such case, no fees shall be charged the Requester for such copies.

5.7.2 Form of Access - Request by Requester for Copies. A Requester may request that, in lieu of inspection, the City provide access to the Public Records in question by furnishing copies of the Public Records to the Requester. Copies may be in the form of photocopies or, if applicable, electronic media. The ORO shall provide access to the Public Records in question in such a manner, subject to the provisions of Section 7.5, below, regarding duplication fees.

5.7.3 Electronic Access. Unless otherwise provided by law, a Record shall be provided in the medium, electronic or otherwise, requested if it exists in that medium; alternatively, it shall be provided in the medium in which it exists, as per Section 701 of the Act.

5.7.4 Time for Providing Access. Following the issuance of a Response granting access to a Record, the ORO shall provide access to such Record as soon as is reasonable and practicable under the circumstances.

## 5.8 Non-Public Record and Trade Secrets

5.8.1 Non-Public Record. If the City produces a Record that is not a Public Record, legislative record or financial record, the City shall notify any third party that provided the Record to the City, the person that is the subject of the Record and the requester.

5.8.2 Trade Secrets. The City shall notify a third party of a request for a Record if the third party provided the Record and included a written statement indicating that the Record contains a trade secret or confidential proprietary information. Such a written statement must be signed by a representative of the third party.

## VI. APPEAL OF DENIAL OF ACCESS BY ORO

### 6. Appeal of Denial of Access by ORO.

6.1 Filing of Appeal. If a written Request for access is denied or deemed denied under the provisions of this Policy or the Act, the Requester may file an appeal to the denial with the Office of Open Records.

6.2 Time for Filing of Appeal. Exceptions to a denial or deemed denial of access shall be filed within fifteen (15) business days of the mailing date of the Response or within fifteen (15) business days of the deemed denial, as the case may be.
